## INTERSHIPS

### CodSoft | November 2024 - November 2024

- I have completed an internship in the web development domain at CodSoft, where I gained valuable hands-on experience and insights into the industry. During my time at CodSoft, I worked on developing responsive, user-friendly websites, honing my skills in HTML, CSS, JavaScript, and other frontend technologies.

## PROJECTS

### Hospital Management system | September 2024 - November 2024

- A hospital management system is essentially a comprehensive record-keeping solution designed to streamline and manage a hospital's data and operations. It enables efficient storage, organization, and retrieval of patient information, medical records, and other critical data.

### Cookie Music | April 2023 - August 2023

- Cookie Music is a music streaming web application designed to offer a wide variety of songs to users. One of the standout features of this platform is its ad-free experience, allowing users to enjoy their favorite music without interruptions. Additionally, Cookie Music provides this seamless listening experience entirely free of cost, making it an accessible and convenient choice for music lovers everywhere. With a diverse library and a focus on user satisfaction, Cookie Music delivers quality streaming to audiences looking for an uninterrupted musical journey.

## WORK EXPERIENCE

### CodSoft | November 2024 - November 2024

- Web Developer: This internship provided me with the opportunity to collaborate with experienced professionals, allowing me to enhance both my technical abilities and my understanding of real-world project workflows.

## ACHIEVEMENTS

- Achieved ultimate milestone in google arcade facilitator program 2024 in B.Tech/B.E.
